HopkinsLocal Progress at a Glance FY2019–FY2022

**BUILD**

$144.6M* was committed in FY22 to contractors that were minority-owned, women-owned, or disadvantaged business enterprises. (17% of addressable construction spending)

**HIRE**

2,174 people were hired over four years for a set of targeted positions and live in focus area Baltimore City ZIP codes. In FY22, 51% of targeted positions were filled by focus area residents.

**BUY**

$558.4M was spent in targeted categories with local businesses over 4 years. $54M more was spent in targeted categories with local businesses over four years than if spending had remained at the baseline level.

---

* Commitments are defined as parts of the contract that have been assigned to a contractor or subcontractor but have not necessarily been completed.

** In FY19, the BLocal BUILD College (“BUILD College”) transitioned from two standing offerings to one standing offering per calendar year.

*** Due to the COVID-19 pandemic, the FY20 cohort was suspended. The BUILD College went virtual in FY21 and the participating firms included some from the FY20 cohort and other firms.

**** Total spend excludes overlap project spend between BUILD and BUY. FY2021 was the first year that the overlap was identified and removed from BUY spend.
